

## Description

Semi-detached house with pool in Guadalmina Alta. This semi-detached house has been renovated with top-quality materials, combining Balinese and Mediterranean influences. It stands out for its brightness, harmony, and functional design, offering a warm and serene atmosphere.

A true paradise for those who appreciate architecture, interior design, and the energy of feng shui. The private, heated saltwater pool can be enjoyed all year round, becoming the heart of the home. The integrated aerothermal system provides efficient climate control in every room, adaptable to the needs of each moment.

### Layout of the property

The property is distributed over three levels: main, upper, and ground floor, with a total built area of 282.98 m².
