

Description

Living in a townhouse in Ronda is not just a transaction – it is an invitation to embrace a way of life woven with charm and authenticity. It means surrendering to the dreamlike rhythm of cobbled streets, breathing in the aroma of freshly brewed coffee while chatting with neighbors, and wandering just a few steps to reach the beating heart of the historic center.

This enchanting townhouse, built in 1950, opens its doors to a story that longs to continue with you. On the ground floor, a welcoming living room greets you, together with a characterful, fully equipped kitchen and a bathroom. Two bright bedrooms fill the home with light and space, while a patio bathed in the golden Andalusian sun connects you to a third room – a canvas for your imagination: perhaps a studio, a cozy reading corner, or the home office you've always dreamed of.

Climb the stairs, and you rise to where sky and earth meet. The generous terrace unveils sweeping views of the Serranía de Ronda – a living painting, shifting its colors with the seasons: lush greens in spring, golden hues in summer, warm reds in autumn, and the crisp blues of winter. An adjoining room here expands...
