

Parqueo y almacenamiento

19.000 €

Description

Convenient, easily accessible parking space for sale, located in the communal garage of a modern, well-maintained building with automatic gates and remote-controlled access. Ideal for a small car.

Included in the sale price is a 7-square-meter private storage room located on the third floor of the building, ideal for additional storage.

Perfect for both personal use and investment, in an area with high parking demand.
