

Description

Frontline Golf Residence with Panoramic Fairway Views | Mijas Golf

Discover this beautifully reformed frontline golf home set within a charming pueblo style community in the peaceful surroundings of Mijas Golf. Offering ninety five square metres of refined living space together with generous outdoor areas, this elegant two bedroom, two bathroom residence blends modern comfort with captivating views across the fairways. The interior has been upgraded throughout with a contemporary fully fitted kitchen, quality appliances, and stylish cabinetry that complements the warm, inviting atmosphere of the home. Tile flooring flows through each room to enhance the brightness and sense of space. The living and dining area opens directly onto a large private terrace, perfectly positioned for quiet mornings, relaxed afternoons, and golden light in the evenings while overlooking the manicured greens. This unique property is also offered with two private car parking spaces and two private storage rooms!
