

Description

Apartment with panoramic sea views and great renovation potential in Calahonda.

This apartment is a great opportunity if you want a good location combined with potential for added value through renovation.

The property offers panoramic sea views, which can be enjoyed from both the living room and the terrace. The large living room with fireplace provides a cosy and spacious living area that can easily accommodate both dining and lounge zones.

The apartment has 2 bedrooms and 2 bathrooms, making it suitable as a holiday home, permanent residence, or rental investment. There is also a practical utility room, providing extra storage and laundry space.

The apartment would benefit from updating, which gives you a very good opportunity to increase your investment by modernising the kitchen, bathrooms, and surfaces according to your own taste and style.
