Just imagine: you step out of your flat in the morning and walk straight to your own private beach, with turquoise water that always remains crystal-clear and sun loungers in the soft sand. That is the reality of Alcazaba Lagoon, a unique residential complex built around Europe's first Crystal Lagoon.

This lovely ground-floor flat has 2 bedrooms and 2 bathrooms, a 30-square-metre terrace and a beautiful adjoining garden, overlooking the swimming pool and the sea. There is plenty of privacy.

A storage room and a parking space are included.
