

# Middle Floor Apartment in Centro Histórico

## More info:

Large apartment to renovate located in one of the most iconic areas of the Historic Center. Situated on the third floor of a building with an elevator, it stands out for its high ceilings, brightness, and floor-to-ceiling French doors. With 196 m², the property offers a comfortable and functional layout, featuring an independent living-dining room, four generously sized bedrooms, and two full bathrooms. Its location is unbeatable: just steps from the Picasso Museum of Malaga,...
