## Description

**\*\*Living by the sea is now possible!\*\*** We present this wonderful apartment in La Cala del Moral, a privileged location just a few meters from the Paseo Marítimo, with spectacular unobstructed views of the beach and sea. The property is surrounded by all essential services: shops, health centers, banks and much more, making it an ideal option both as a main residence and as an investment.

The home stands out for its functional layout and excellent natural light. It features a fully equipped independent kitchen with a utility room overlooking an interior patio; a spacious entrance hall; and a living-dining room with access to a terrace with folding doors, which allows you to integrate it into the living area and enjoy panoramic sea views without leaving home. It has three bedrooms — two exterior and one with ventilation through the utility room — and a complete bathroom with a shower.

Sold semi-furnished, with a kitchen equipped with oven, washing machine, refrigerator and furniture as seen in the images, ready to move in or start...
