

Description

This elegant two-bedroom, two-bathroom apartment combines contemporary comfort with refined style in one of Marbella's most desirable Golf Valley locations. Offering 112 m² of bright interior living space and a spacious 43 m² private terrace, the property is perfectly designed for both relaxed everyday living and sophisticated entertaining.

Filled with natural light, the open-plan living area benefits from a rare side window feature found only in select apartments, creating an even brighter and more welcoming atmosphere. The generous fully fitted kitchen is equipped with premium Bosch and Miele appliances, including a built-in wine cooler, while all crockery, cookware, and glassware are included in the sale for immediate convenience. Stylish Jacobsen furniture throughout the apartment is also included in the price, adding timeless elegance to every room.

The apartment offers a high level of comfort with individually controlled underfloor heating and air conditioning in the main living areas, remote-...
