

Description

This contemporary duplex penthouse in Marbella East is thoughtfully designed across two levels, combining modern architecture with well-defined living spaces. Every detail has been considered to maximize natural light, seamless indoor-outdoor living, and privacy.

The main floor opens to a spacious living and dining area with direct access to a large terrace that frames the home with Mediterranean views. Floor-to-ceiling windows create a fluid transition between the interior and exterior. The modern kitchen, with a functional and balanced layout, serves as the central hub of the residence.

On this level, three bedrooms are arranged for comfort and privacy. The primary suite and one guest bedroom, both with en-suite bathrooms, are located in a private night area. The primary suite also features a dressing area and direct terrace access. A third guest bedroom with fitted wardrobes is complemented by a separate full bathroom....
