

Description

Duplex Penthouse with Panoramic Sea Views and Private Solarium in Costa Galera

Located in the popular Costa Galera development, this duplex penthouse combines generous living space with panoramic sea views and excellent outdoor areas, all within walking distance of the beach. Set in a well-maintained community with six communal swimming pools and an on-site restaurant, the property offers a relaxed Mediterranean lifestyle in a convenient coastal setting.

The penthouse features three bedrooms, a separate office, two bathrooms, and a guest WC, arranged over two levels to create a practical and comfortable layout. The bright living area opens onto a terrace with open sea views, while the upper level leads to a private solarium designed for making the most of the sunshine and surroundings.

A particular highlight of the property is the spacious rooftop solarium, complete...
