
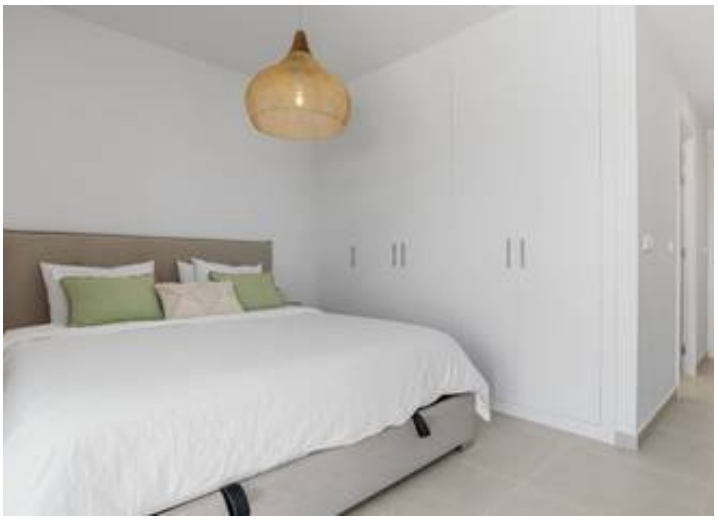
Description


Modern Scandinavian-Style Penthouse in Cancelada
This brand-new 3-bedroom penthouse, completed in 2025, perfectly combines inspired design with high-quality finishes. Offering the ideal balance of comfort, elegance, and functionality, it is the perfect choice for families, couples, or investors seeking a stylish home in a peaceful and well-connected location.
Penthouse Layout
The bright, open-plan living area features a comfortable sofa and armchairs that flow seamlessly onto a spacious south-facing terrace, overlooking the beautifully maintained gardens and offering partial sea views an ideal space for relaxing, dining, or enjoying the sun.
Next to the living area, the fully equipped kitchen includes modern appliances and all essentials for everyday living.
The property offers three elegant bedrooms:
Master Bedroom: En-suite bathroom with elegant fittings and private terrace access.
Second Bedroom: Spacious, with built-in wardrobes and plenty of natural light....
