
## Description

Panoramic Sea-View Penthouse on One Level – Seamless Indoor-Outdoor Living

This modern one-level penthouse enjoys breathtaking panoramic sea views and is located within a protected UNESCO biosphere area, ensuring a unique natural setting, preserved surroundings and a sense of tranquility that will remain untouched over time — a truly special environment on the Costa del Sol.

Designed for relaxed Mediterranean living, the home offers a strong connection between indoor and outdoor spaces. While the layout is both comfortable and functional, the property truly stands out for its beautifully maintained interior, presented in immaculate, showhome condition throughout. In addition, the property benefits from solar panels installed on the roof, contributing to improved energy efficiency and lower running costs.

The true highlight, however, is the expansive L-shaped terrace, which is as generous as the living area itself and invites you to enjoy life outdoors all year...
