

Description

Fully renovated penthouse for sale in Condado de Sierra Blanca, offering four bedrooms, generous indoor and outdoor living spaces, panoramic Mediterranean Sea views, a heated plunge pool, and bespoke contemporary interiors. Located within one of the most prestigious gated communities in Sierra Blanca, this exceptional home combines elegant design, premium craftsmanship, and outstanding privacy with beautifully maintained communal gardens, two swimming pools, and 24-hour security. Every detail has been carefully considered to create a turnkey residence that perfectly balances luxury, comfort, and functionality.

Completely renovated to an exceptional standard, the penthouse showcases a refined palette of natural stone, warm wood finishes, and extensive bespoke carpentry throughout. The interior has been designed to maximise both space and natural light, creating a welcoming atmosphere where contemporary architecture meets timeless elegance. Open-plan living areas flow effortlessly from one space to another, while large glass doors frame panoramic sea views...
