

Finca - Cortijo in Ronda

Description

Set in the natural surroundings of Ronda, directly alongside the road connecting the town with Setenil de las Bodegas, this rustic estate occupies a plot of more than one hectare, an increasingly rare size that ensures privacy and a close relationship with the landscape. The land is fully levelled and planted with olive and vineyards, lending maturity, character and a sense of permanence that only well-established properties can offer. From every point of the finca, open...
