Description

Nestled in the heart of the Golden Mile, this exquisite Moorish-style 5 bedroom villa is one of only a few houses that can truly claim to be frontline beach. With direct access straight onto the sand, there is nothing separating you from the shoreline and the breathtaking views of the Mediterranean sea.

Located a mere five-minute stroll from the renowned Puente Romano, this gem of a home offers 676 m2 of unique living space with stunning vine covered walkways and patios sheltering chic guest bedrooms all decorated in a classical and elegant traditional style, each with its own entrance and en-suite facilities.

The main house offers a lovely spacious blue and white classical kitchen, as well as a generous dining area and lounge from where you can access the first of many patios. From here you can watch the sunset in style from a blend of covered and open relaxation areas for those seeking shade from the summer sun.
