

Description

Exclusive Semi-Detached Golf Frontline Villa – Riviera del Sol

Discover this stunning contemporary semi-detached villa, perfectly positioned on the frontline of the golf course in the prestigious Riviera del Sol. Nestled within an exclusive gated community of just six properties, this home offers unparalleled privacy and tranquility in the heart of the Costa del Sol.

Boasting modern architecture and abundant natural light thanks to its prime south and east orientation, the villa spans two floors plus a magnificent solarium. The main floor features a bright, open-plan living and dining area seamlessly connected to a fully equipped modern kitchen — ideal for both relaxed family living and entertaining guests. A large terrace overlooks the golf course, while an exterior staircase leads directly to the private garden and swimming pool below. This level also includes a guest toilet and a separate laundry room. Downstairs, the sleeping area offers spacious, light-filled bedrooms with direct access to the garden and pool. The highlight is the luxurious master suite,...
