

Description

A 25,510 m² urban plot in Pinos de Alhaurín (Alhaurín de la Torre) offering multiple development possibilities in a peaceful, natural setting. A highlighted concept includes 17 independent villas on ~1,000 m² plots arranged from a central driveway, together with an 8,000 m² green zone—an attractive layout for a quality residential enclave.

The site is fully serviced, with water, drainage and electricity connections already in place, simplifying the path to construction.

Note: All planning parameters (density, buildability, road layout, services capacity, etc.) are subject to confirmation with the Alhaurín de la Torre Town Hall/PGOU and the buyer's architect.
