

# Residential Plot in Campanillas

5.000.000 €

🏡 84.883m<sup>2</sup>

## Description

Residential or Commercial Land/Urbano Lot With Well, Electricity and its own Street Within – 84,883 sq meters in Prime Campanillas, Malaga, Location

Presenting an exciting development opportunity, this expansive 84,883-square-meter urbano/buildable land is ideally located in Campanillas, one of Málaga's fastest-growing areas. With easy access to main roads, including the A-7055, and having already street running through the property, this land is primed for housing/commercial development and offers unparalleled convenience and potential.

This prime plot is zoned for low-intensity residential construction, making it perfect for creating a housing development that can meet the growing demand for homes in the region. With Málaga's rapid growth and increasing population, housing needs are expected to rise, making this land an excellent opportunity for residential development.

Additionally, the plot is also suitable for commercial use, with the possibility of building a shopping center, a storage facility, office spaces, or other commercial...
