

Residential Plot in Canillas de Aceituno

More info:

English Sale, Plots, Canillas de Aceituno, Málaga, Andalusia
If you are looking for land to build a house to your liking, take a look at these four plots. Three registered as urban and one as rustic. All four can be purchased together or separately. One of the urbans is sold with a project done. All are south facing and with fully paved access. They are less than twenty minutes from the coast. When purchasing the complete lot, the price can be negotiated. These are the plots: Urban with...
