

Description

DREAM Villa

- . Privacy
- . Fantastic Pool Area
- . Two lovely pueblos close by
- . Possible Rental Income
- . Large basement

What can we say about this property? I think the photographs show you that this property is pretty stunning!

This is very immaculate villa sits in the hills between both Alosaina and Tolox. The plot is extremely beautiful surrounded by natural rocks, olive and almond trees... there is also an Era on the land (an ancient circle of laid stones originally used for threshing wheat).
