Description

Charming and well-maintained villa on one level in the quiet area of Campo Mijas only 3 km from the beach in Fuengirola. The villa is very private with a nice pool area with bar and large terrace areas. The garden is easy to maintain as it is mostly paved with stones but with nice flower beds with several fruit trees such as passion fruit, lemon, orange, pomegranate, mango and sweet, Spanish "nisperos".

We enter the villa into a welcoming hall with wardrobe. To the left the living room opens up with space for a lounge group, dining table and fireplace and next to it we find the good-sized kitchen with kitchen island and dining area. From the kitchen you can access the social areas by the pool and there is also a back door to the laundry room and the tool shed which is located at the back of the house. The kitchen is fully equipped, also with a wine cooler.

If we instead take the right from the hall we find the sleeping area with 2 smaller bedrooms, a bathroom with shower and the large master bedroom with en-suit...
