

Description

This is an exclusive opportunity to acquire a villa before renovation, saving on taxes and making your dream come true.

Imagine a home where the terrace opens up to breathtaking views of the Mediterranean Sea, surrounded by one of the most prestigious residential complexes on the Costa del Sol – Reserva del Higuero.

This villa, located Benalmádena, El Higuero is more than just a house – it's a space where you can create your own luxury oasis, perfectly tailored to your vision.

Why is this special?

Spacious plot – 724 m² – ideal for a garden, terraces or your own private leisure area.

236 m² built area – large rooms, plenty of light, functional layout.

Unbeatable sea views – a value that will never fade.

Solid structure – the villa is well preserved, only needs updating to today's...
