

Description

In an English Country Garden, in a beautiful Country House you think of beautiful flowers like hydrangea, foxglove, sea pea, roses, and well kept lawns, but, here in Spain we are going to present the Spanish version and it is normally called a Finca or Cortijo , full of vibrant buganvilla, oleanders, hibiscus, jacarandas, night scented stock, jazmin so colourful and always with a clear blue sky.

This Country House has the beauty of everything as you are in the Countryside but only 10 mins drive down to the Coast, 10 mins either way to the centre of Fuengirola or La Cala de Mijas and less then 30 mins to the centre of Marbella or Malaga Airport.

This Cortijo has the authentic Andalucian style, painted white with terracota roof tiles. The electric gates open to the drive way with it's white pebble stones and you will find plenty of space for parking. Enter into the house through to the big wooden front door which I believe was recovered from an Old Hotel in Malaga. Step through this beautiful door to the hallway again terracota coloured floors...
