

Description

In one of the most exclusive and tranquil areas of La Mairena, surrounded by nature and offering sea views that captivate from the very first moment, stands this spacious villa, defined by absolute privacy and extraordinary natural light. With 663 m² built over three levels and 5 bedrooms with en-suite bathrooms, this property to renovate offers exceptional potential to create a truly extraordinary residence. From the main entrance, the sensation is immediate: space, light and endless views. The high ceilings, large-format windows and generous proportions in every room create an atmosphere that is difficult to find even in the most exclusive villas. The impressive living room opens onto the Mediterranean horizon through expansive windows that flood the space with natural light and connect directly to a large terrace with both a glass-enclosed area and an open section, each offering truly spectacular views. Connected to the dining room, it forms a space perfect to redesign into an elegant, fluid and contemporary concept. The independent kitchen, spacious and bright, includes a pantry, laundry room and an additional room that can be adapted to multiple uses depending on the needs. On the lower floor, there are two large bedrooms...
