

Description

A semi-detached villa in the urbanisation, four bedrooms, four bathrooms, arranged with intent rather than habit: basement level below, an entrance floor with three en-suite bedrooms and a calm water feature setting the tone, a first floor dedicated entirely to open-plan living with terrace and private pool, and a second floor reserved for a full-width master suite with walk-in wardrobe, private bathroom and sea-facing terrace. A private lift connects every level, from garage to rooftop calm, without interruption.

This is a house for people who value flow. The lower level handles leisure properly — entertainment room with bar, cinema area with projector, gym and sauna — so the living floors remain clean and composed. Upstairs, the kitchen, dining and living space opens directly onto the terrace, where the pool meets the line of the sea rather than competing with it. Light, proportion and modern design do the heavy lifting; nothing here asks for attention, yet everything earns it.

Three en-suite bedrooms and a guest toilet on the entrance level offer privacy...
