

Description

Villa Marielle – An Iconic Contemporary Residence in the Heart of La Cerquilla

Villa Marielle is a striking contemporary residence where exceptional architecture, refined design and effortless luxury come together to create one of La Cerquilla's most captivating homes. Every detail has been carefully considered, from the clean architectural lines and expansive terraces to the floor-to-ceiling windows that bathe the interiors in natural light while creating a seamless connection between indoor and outdoor living.

Designed for both entertaining and relaxed family living, the outdoor spaces are truly spectacular. Beautifully landscaped gardens with mature palm and olive trees surround the property, creating complete privacy and a tranquil Mediterranean atmosphere. Several terraces provide elegant spaces for al fresco dining and lounging, while the property is also wired for an outdoor cinema, adding another exciting dimension to open-air entertaining.
