

Apartment Complex in Olletas

Description

Excellent opportunity for investors! A 4-story building for sale located in the Olletas area, one of the highest growth potential areas in Málaga. This building includes 10 apartments and 4 commercial premises, ideal for those looking for a profitable project in a quiet and well-connected environment. Currently, the building does not have an elevator, but its renovation possibilities offer great value to increase profitability. The building faces south and is being...
