

Description

Property built with the idea of housing a private school, which can now be adapted, extended and new buildings constructed, on a plot of 12,692 m² for rent to buy, with a net buildability of 1.5 m²t/m²s and a ground floor occupation of 60%, of which 2,626 m² have been used, with multiple possibilities for other uses, such as geriatric residence, clinics, hospital, school with residence or vocational training centres or other types of education. As it is a large plot, it gives room for open spaces and areas with nature, trees and gardens.

It is a newly constructed rectangular building, with two floors built out of the three that were planned, in which space has been left for stairs and a lift, in case the project is completed. The structure is made of steel and hollow core slabs and the interior, compartmentalised with plasterboard partitioning, is a very versatile space that can be easily transformed with a small amount of building work.

The property is located in an urban environment, in the town of Archidona, 50 minutes from Malaga and 20 minutes from Antequera (important logistic...
