Detached Villa in Alcaucín

More info:

This stylish Finca is located in an idyllic secluded location on a plot of 9000 m2. Thanks to the elevated position, there are breathtaking views of the hills and mountains. Through a solid wooden door, you enter a bright room, which is currently used as a dining area. From there you enter the fully equipped kitchen, which has access to the terrace. On the other side of the dining area is the light-filled living room with a fireplace. Through a glazed patio door, you enter the…
