

## Description

Discover your corner of paradise in this captivating three-bedroom, three-bathroom home, located in the sought-after El Capitan Urbanization. Distributed over two floors, this property perfectly combines modern comfort with the relaxed elegance of the Spanish lifestyle, and offers the possibility to create two additional bedrooms according to your needs. From the first moment, the apartment welcomes you with a bright and vibrant atmosphere. The living room, bathed in natural light, stands out for its touches of lime green tones that provide energy and warmth. Comfortable sofas in soft colors create the ideal space to relax or entertain, while large windows offer beautiful views of the surroundings. The kitchen is designed with both functionality and style in mind, with wooden furniture, modern appliances and ample work surfaces. Large glass doors connect the interior with the exterior, inviting you to enjoy al fresco dining under the Spanish sun. In addition, the property has an osmosis system that allows water to be consumed directly from the tap, guaranteeing excellent quality water. On the upper floor, the three bedrooms offer quiet and private spaces. The master bedroom stands out as a true retreat, with soft tones and...
