Description

Villa TrueLove is a six-bedroom, five-bathroom luxury villa in the heart of Benahavís. It offers stunning mountain and garden views, combining modern technology with natural design. The home features a seamless connection between indoor and outdoor living, surrounded by lush gardens and an infinity pool. Every detail reflects elegance and peace, creating a private retreat for those who value space, beauty, and tranquility.

Inside, fine materials and craftsmanship define every room. The villa includes a designer kitchen with a sculptural island, a spacious living area that opens to the gardens, and two master suites with spa-like bathrooms. There is also a private gym, cinema room, and a wellness zone with a sauna, massage area, and a 1,500-year-old granite bathtub. Smart systems, solar panels, and advanced security make the property both beautiful and efficient.

The outdoor space is a haven of calm with a koi pond, a Bali temple, and a 1,000-year-old Algarrobo tree that symbolizes peace and renewal. A guest house offer...
