

Description

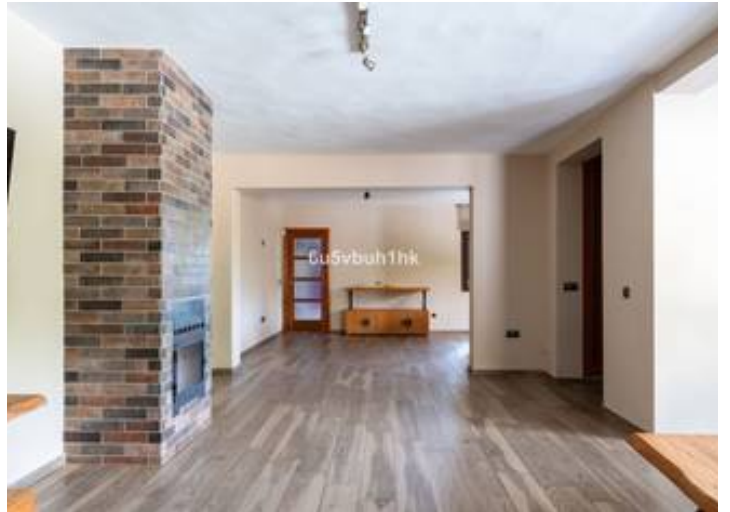

Are you one of those people who look for privacy and peace when they get home after a long day at work dealing with dozens of people?

Then I may have something that could interest you in the exclusive area of La Capellanía, in the municipality of Benalmádena.

Specifically, a property with a 658 m² plot and 229 m² built area, featuring 3 bedrooms, 3 bathrooms, and an independent guest house.

What stands out most about this beautiful property is the spacious living-dining room and sitting area, all on the same level, together with its large fully equipped kitchen and the abundance of natural light throughout the house, as well as the quality of the materials used, which can be appreciated in the finishes, windows, and flooring.

Outside, you will find the perfect area to sit down and enjoy a good coffee while relaxing to the sound of birds singing and reading your favourite book,...
