

Description

Charming south-facing villa located 400m from amenities and the beach in a prestigious area. The property boasts a large garden, swimming pool, and barbecue area, ideal for gatherings with family or friends. Its bright and spacious interior features a fully equipped renovated kitchen, living-dining room with fireplace, hot/cold air conditioning, marble floors, an en-suite bathroom, electric shutters, and an alarm system.

It includes numerous extras such as a laundry room, storage room, water tank, solar panels for hot water, an automatic irrigation system, private access, and spacious parking for several cars. With both well and municipal water, an efficient and economical supply is guaranteed. The villa is in good condition and offers potential for expansion or updating, making it an excellent investment. Located close to schools, leisure areas, golf courses, tennis courts, shops, a pharmacy, buses, restaurants and cafes, etc., with excellent road access. This property represents a unique opportunity for those seeking a comfortable, well-located home with great potential in one of the most sought-after areas of the Costa del Sol. The main house consists of 3 bedrooms and 2 bathrooms, and in the pool...
