

## Description

Discover a private paradise where Scandinavian design meets the raw beauty of the Andalusian landscape. Fully renovated, this five-bedroom, five-bathroom villa offers a rare sense of calm, complete privacy and open views across the Mediterranean, Estepona and the Sierra Bermeja mountains. The setting is exceptionally quiet, with nothing but nature in the background, yet the property remains easily connected, just 25 minutes from Estepona and 7 minutes from the main road.

The villa offers 250 m<sup>2</sup> of interior space, complemented by a separate 30 m<sup>2</sup> guest studio. The interiors are bright, understated and thoughtfully finished, with a distinctly Scandinavian feel. On the ground floor there are two bedrooms with bathrooms, while a sculptural spiral staircase leads upstairs to an additional en-suite bedroom and an impressive principal suite framed by panoramic windows.

The separate studio, with its own bathroom, is well suited for guests, staff, a private office or a more creative use...
