Description

There are properties you buy for what they are.
And others for what they can become.

This one belongs to the latter. And that's where its value lies.

Located in a well-established area of Málaga city, on Calle Los Ficus, this property stands out for something increasingly rare: real space and the ability to adapt to different uses.

This is not a typical home. It is a property with the structure and layout to be converted into two independent living spaces, making it especially attractive for those seeking profitability or a flexible family solution.

- Two living rooms
- Two kitchens
- A two-level layout that allows for different scenarios:
 - o Live in one and rent the other...
