

Description

ATTENTION INVESTORS! An exceptional and unique real estate package is now for sale in the beautiful town of Cómputa (Málaga). This is an ideal opportunity whether you are looking to develop an investment or tourism project, or a family seeking a large residence with extra space in one of the most sought-after areas of the Axarquía.

The package includes TWO INDEPENDENT PROPERTIES with extraordinary potential:

MAGNIFICENT DETACHED VILLA WITH LARGE PLOT:

A spectacular estate featuring a 2,811 m² plot, guaranteeing absolute privacy and plenty of space for gardens, cultivation, or recreation areas. On the land stands a solid building of 250 m² (built in 1986) distributed over two independent floors of 125 m² each: the upper floor is designed as a spacious and bright family home, while the ground floor is currently configured as a huge open-plan warehouse/garage, ideal for storage, a workshop, vehicle collectors, or to expand...
