

Detached Villa in El Atabal

Description

El Atabal sits at an interesting crossroads. Teatinos to one side, the Parque Tecnológico to the other — one of Málaga's most quietly dynamic neighbourhoods, and still largely under the radar. International schools nearby, some of the best in the city. The airport, the centre, the coast — all within reach, none of it felt from inside the house.

The villa is newly built and designed around the way families actually live. Three floors, four en-suite bedrooms, sea and...
