

Detached Villa in El Atabal

Description

This ultra-modern villa in Puerto de la Torre is a masterclass in contemporary design. Its multi-level layout, fluid volumes, and clean lines create a visually striking and highly functional home. Premium materials, indoor and outdoor pools, and expansive terraces define a lifestyle of comfort, wellness, and sophistication. Set on an elevated plot with abundant natural light, the villa offers privacy while remaining just minutes from Málaga city centre, providing a rare combination of...
