Description

Magnificent Villa facing the Sea

This incredible property of 8,500 m² on the beachfront, has magnificent panoramic views of the sea and is made up of 2 independent plots, one of 3,500 m² where a large villa has been built and the other plot of 5,000 m² where you could also build another 2 villas inclusive.

The 664 m² built villa has an elegant living room with a double-height ceiling and direct access to the large terraces and the impressive garden surrounded by palm trees.

The villa also boasts a fully equipped kitchen, a large master bedroom with en-suite bathroom, plus 5 additional double bedrooms with their bathrooms: 3 of which have been recently modernized and not forgetting the entertainment room with cinema area, coffee table, Billiards and table tennis. It also has a beautiful internal garden.

In the garden next to the 20x8 meter pool there is a large Jacuzzi with a waterfall, surrounded by terraces and a barbecue area with a large dining table, as well as a tennis court....
