

## Description

Welcome to a one-of-a-kind Mediterranean sanctuary, nestled in the exclusive urbanization of Lomas de Marbella Club, a place where timeless Andalusian charm meets artistic soul and untapped potential.

This is not just a house; it is a living work of art. Owned by artists, every corner radiates authenticity and soul, from the Moroccan-inspired fountains that whisper in the patios to the centuries-old trees, over 500 years old, that stand as ancient guardians of the land. The entire property exudes a tranquil majesty, with whitewashed walls, terracotta floors, and arches that evoke Andalusian tradition, all with a privacy, personality, and poetic depth that is hard to match.

Located just 10 minutes from the center of Marbella and less than 5 minutes from its most iconic beaches, hotels, and resorts, this location is pure gold. Away from the hustle and bustle, yet perfectly connected, it offers the best of both worlds: serenity and access.
