Description

Enjoy open views to the Mediterranean, a short walk to the sea, and the freedom to rent part or all of the villa — with tourist license already in place. This is a spacious villa in Marbella East that offers flexibility, rental income, and long-term potential.

The main house has 4 bedrooms, plus an extra room with its own ensuite bathroom that could be easily used as a 5th bedroom, office, or guest space. On the lower level, there are 2 fully independent studios, each with their own entrance, kitchen, and bathroom — perfect for short-term rentals or guests.

The property has a valid tourist license, allowing it to be legally rented short- or long-term, either as a whole or in separate units (accommodating up to 14 guests in total). The two studios alone generate over €55,000 per year through platforms like Airbnb and Booking. The entire villa can realistically generate an average of €10,000 per month, reaching up to €120,000 gross per year.
