

Detached Villa in Marbella

Description

A semi-detached villa in the urbanisation, four bedrooms, four bathrooms, arranged with intent rather than habit: basement level below, an entrance floor with three en-suite bedrooms and a calm water feature setting the tone, a first floor dedicated entirely to open-plan living with terrace and private pool, and a second floor reserved for a full-width master suite with walk-in wardrobe, private bathroom and sea-facing terrace. A private lift connects every level, from garage to...
