

Description

This exclusive detached villa represents an excellent opportunity for those who value absolute privacy and space without sacrificing proximity to the coast. Set on a generous private plot of 1,605 sqm , the property stands out for its layout across three independent structures: a main residence, a self-contained guest house, and a large garage. Its orientation and elevated position guarantee a constant flow of natural light and unobstructed views that beautifully combine the mountain landscape with the Mediterranean Sea.

The property features a total built area of 313 sqm, intelligently distributed to maximize comfort and functionality. The 193 sqm main house comprises three bedrooms (including a master suite) , and spacious living areas equipped with a fireplace and air conditioning. The exterior is designed for year-round enjoyment of the Costa del Sol climate, highlighting a private swimming pool and mature garden areas. A key added value is the 35 sqm guest house , perfect for hosting visitors independently or as a rental investment, alongside a 45 sqm enclosed garage with ample capacity for multiple vehicles.

Located in the peaceful area of Diseminado El Hornillo in Mijas, the estate offers ...
