

Description

Stunning New-Build Detached Villa in Mijas – Alcaparra area

Move straight into this exceptional new-build villa, finished to the highest standards and designed for modern Mediterranean living.

Offering 4 spacious bedrooms and 3 stylish bathrooms, the layout is both practical and versatile. Two bedrooms are located on the main level, while the lower level features two additional bedrooms with natural light and a further bathroom—ideal for family, guests, or a home office.

The bright open-plan living area and fully equipped designer kitchen open onto spectacular panoramic views, creating the perfect space for relaxing or entertaining.

This home is packed with premium features, including:

- Underfloor heating and cooling powered by energy-efficient aerothermia
- Mechanical ventilation system for year-round comfort
- Infinity swimming pool with a solar-powered electric cover...
