

Description

Recently renovated villa, located in a gated and guarded urbanization, in the Las Brisas Golf area, in Nueva Andalucía, Marbella, with a lot of character and personality.

This villa sits on a plot of almost 1,000 m², and offers 5 bedrooms, 4 bathrooms and a guest toilet. It is really very bright, with large and numerous windows, with micro-cement and wood floors, exposed stone walls and other nice details of the recent renovation.

On the main floor, a large living room divided into two rooms and with a fireplace, a separate dining room that leads out to the terrace and pool area, an elegant kitchen with an island format and Siemens and Neff appliances, with a separate laundry room. Furthermore, on this floor, a bedroom suite, a guest toilet and a storage room.

On the upper floor, a large master bedroom, with wooden ceiling and floor and sea views, with a very large en-suite bathroom with bathtub and shower....
