Description

Spectacular luxury villa

With everything that can be asked of a home, comfortable, practical and with plenty of space to enjoy, both inside and outside the home.

It has a plot of about 600 m², where we can find a wonderful swimming pool with a diving board, since it is quite deep, a barbecue area with a wood-burning oven, a pergola area, a storage room with a boiler room, parking for several cars and gardens.

The house has wide and luminous open spaces, it is distributed around a luxurious central patio, closed at the top by a beautiful glass cap that brings a lot of light to the house.

On the ground floor, we have the hall, a room as an office, a nice living room - dining room, bathroom, toilet and a wonderful kitchen with fireplace and in front of it a cozy living area, glazed, connected to the outside.

From this floor we have access to the basement where we have a typical cellar....
