

Description

The stunning and very unique luxury villa, Villa K, is located in the prestigious area of Valtocado, Mijas, and is not something you come across every day. Situated on a spacious plot, this villa completed in 2020 offers a unique combination of elegance and modern design. With 4 bedrooms and 5 bathrooms, including 4 en-suite bathrooms, this villa provides ample space for a comfortable and luxurious lifestyle.

The architecture and design

The design has been a collaboration between Marion Regitko Architects and UK based designers Soo Wilkinson & John Grant of Igloo Design. Their holistic approach to the interior and exterior spaces of the villa, along with the continuity of materials and finishes has resulted in a seamless flow throughout this exclusive villa. From wherever you are in the house, you can enter the deck that surrounds the villa on the upper level. The lower level is cut into the hill and makes the entire villa seem like it has arisen from the rocks.
