Upon entering this property, you will find an open plan kitchen and living area, a guest bedroom and a guest bathroom. The staircase leads you up to the second floor where you find two bedrooms both en-suite and a dedicated wardrobe area which could easily be made into an office or a fourth small bedroom. From this level you will access the lower outdoor terraces that host a chill out area. From there you access a rooftop terrace with a private plunge pool, outdoor kitchen and a dining space.
