

Description

This stunning 2-bedroom, 2-bath duplex apartment in La Carihuela, Torremolinos, is fresh from a top-to-bottom renovation—totally move-in ready from the 30th April! Everything's right at your doorstep, from shops and cafés to that gorgeous sandy beach.

Walk through the entrance terrace and you step straight into a bright, open-plan living area with a kitchen that's both stylish and practical—sleek grey and oak tones, super modern but there's still a hint of that classic charm. The lower floor has a generous double bedroom and a sharp, contemporary bathroom. Both bathrooms—one on each level—have walk-in showers, smart basins, and modern finishes.

Now, the spiral staircase? It's got style. Head upstairs to the master suite, your own private retreat complete with its own bathroom. You can step out to a sun-drenched terrace—perfect spot to sit back and watch life roll by.
